Eddy Rodger's Legacy

Honouring the memory of the late director and mentor, Eddy Rodgers who gave so much to the association, its members, and the Celtic music community - the *Cape Breton Fiddlers' Association* will be hosting free learning sessions to allow fiddlers to play tunes in a group setting in various locations throughout the province. Fiddlers of all ages and skill levels are welcome to attend. It is meant to be casual; engaging learners in a relaxed setting. There is no fee for any of the participants.
